Recitals

A. Grantor is the present owner of a certain tract of land described in a Warranty Deed-Joint Tenancy dated January 15, 2001 and recorded in Book 2002 at Page 236 in the Office of Recorder Madison County, Iowa, described as follows: the Northwest Quarter (NW/4) of Section Twenty-eight (28), Township Seventy-seven (77), Range Twenty-six (26) in Madison County, Iowa, except the South 320 feet of the East 928 feet thereof, Parcel ID # 061012848011000, ("THE PROPERTY").

B. THE PROPERTY is subject to a Right of Way Contract ("Agreement") dated February 8, 1941 recorded in the Office of the Recorder of Deeds in Madison County, Iowa in Book 75, Page 472 on August 11, 1941 which granted an Easement and Right of Way to Grantee on, over, and through THE PROPERTY for the right to lay, maintain, inspect, operate, replace, change or remove a pipeline or pipelines for the transportation of oil, gas, gasoline or other petroleum products owned by Grantee and/or its affiliates.

C. The Agreement provides, among other things, that the Grantor may use the surface of THE PROPERTY only to the extent such use does not unreasonably interfere, obstruct or impede the Grantee's access and proper and safe use, operation, enjoyment and lawful exercise of any of the rights granted and confirmed in the Agreement.

D. Grantor is currently using THE PROPERTY for farming purposes and upon further investigation of the depth of the existing pipeline, Grantors' land use may jeopardize the integrity of the pipeline and increase the potential for damage to the pipeline creating an unsafe condition to the Grantor and the public.

NOW, THEREFORE, in consideration of the premises and of the mutual advantages accruing or expected to accrue to the parties hereto by virtue of this Addendum, the parties hereto, intending to be legally bound hereby for themselves and their respective successors and assigns, covenant and agree that the Addendum shall provide as follows:

1. Notwithstanding anything contained herein to the contrary, Grantor shall not use, or grant or permit use of, the land where the pipeline is crossing THE PROPERTY in any manner that would disturb or impact the soil within the pipeline right-of-way. Grantor shall not farm, excavate, plow, tile, or cross with heavy equipment within the pipeline right-of-way. Grantor shall let the land revert to a natural state or plant and

maintain vegetation to a height of at least six inches or such height that would avoid bottoming out of maintenance machinery.

2. Grantee shall install permanent pipeline markers at line of sight intervals across THE PROPERTY so that Grantor can observe an unobstructed sight line between each line marker along the pipeline right-of-way and be aware of the approximate location of the pipeline and the area restricted from any further use as defined in paragraph 1. The area restricted mentioned herein is shown and depicted on "EXHIBIT A", which is attached hereto and made a part hereof.
3. Grantee shall pay Grantor the sum of ten dollars and other good and valuable consideration.
4. The term of this LAND USE LIMITATION ADDENDUM TO PIPELINE EASEMENT AND RIGHT OF WAY GRANT shall commence on the signature of this Addendum and:
 - a. The terms, conditions and provisions of this Addendum shall constitute covenants running with the Land and be binding upon and inure the heirs, executors and administrators, personal representatives, successors and assigns of the parties hereto.
 - b. Terminate on __October 1__, 2023, (primary term) unless the pipeline is taken out of service, lowered, relocated, or sufficient cover is added in the sole discretion of the Grantee, who may then terminate this Addendum with ninety (90) days written notice to the other party.
 - c. This Addendum shall continue after the expiration of the primary term, on a year-to-year basis, on the same terms, conditions, and provisions set forth in this Addendum until either party gives written notice to the other party of the cancellation of this Addendum at least ninety (90) days prior to the end of the then-current term or at such time that the depth of cover of the pipeline is thirty-six (36) inches or greater.
5. All other terms of the Agreement not otherwise amended above shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have caused this Addendum to be duly executed the day and year aforesaid.
