All buildings on this property are served by a public or semi-public sewage disposal system.  XXThis transaction does not involve the transfer of any building which has or is required by
system.  XXThis transaction does not involve the transfer of any building which has or is required by
XXThis transaction does not involve the transfer of any building which has or is required by
law to have a sewage disposal system.
There is a building served by private sewage disposal system on this property or a building
without any lawful sewage disposal system. A certified inspector's report is attached which
documents the condition of the private sewage disposal system and whether any modifications are
required to conform to standards adopted by the Department of Natural Resources. A certified
inspection report must be accompanied by this form when recording.
There is a building served by private sewage disposal system on this property. Weather or
other temporary physical conditions prevent the certified inspection of the private sewage
disposal system from being conducted. The buyer has executed a binding acknowledgment with
the county board of health to conduct a certified inspection of the private sewage disposal system
at the earliest practicable time and to be responsible for any required modifications to the private
sewage disposal system as identified by the certified inspection. A copy of the binding
acknowledgment is attached to this form.
There is a building served by private sewage disposal system on this property. The buyer
has executed a binding acknowledgment with the county board of health to install a new private
sewage disposal system on this property within an agreed upon time period. A copy of the
binding acknowledgment is provided with this form.
There is a building served by private sewage disposal system on this property. The
building to which the sewage disposal system is connected will be demolished without being
occupied. The buyer has executed a binding acknowledgment with the county board of health to
demolish the building within an agreed upon time period. A copy of the binding acknowledgment
is provided with this form. [Exemption #9]
This property is exempt from the private sewage disposal inspection requirements pursuant
to the following exemption [Note: for exemption #9 use prior check box]:
The private sewage disposal system has been installed within the past two years pursuant to
per <u>mit</u> number
