EASEMENT

KNOW ALL MEN BY THESE PRESENTS:

Tyrone D. Hill, single person

hereinafter referred to as GRANTORS, in consideration of One Dollar and Other Valuable consideration, hereby grant and convey unto Warren Water District, hereinafter referred to as GRANTEE, its successors and assigns, a perpetual easement with the right, at any time, to erect, construct, install, lay and thereafter use, operate, inspect, repair, maintain, replace and remove one or more water pipelines and appurtenances thereto, over, across and through the land of the GRANTORS situated in Madison County, Iowa, being more specifically described as follows:

Pit Installation for 1657 U.S. Highway No. 169 on a Private Utility Easement described as: Easement by 'land'

Beginning at the Northeast Corner of Parcel "F" in the Southeast Quarter of Section 1, Township 76 North, Range 28 West of the 5th P.M., Madison County, Iowa; thence North 82° 04'36" East 226.82 feet to a point on the West right-of-way line of U.S. Highway No. 169; thence South 18° 13'18" East 30.07 feet along said West right-of-way line; thence South 82° 04'36" West 237.15 feet to a corner of said Parcel "F" thence North 01° 34'54" East 30 feet to the point of Beginning.

together with the right of ingress and egress over the adjacent lands of the GRANTORS, their successors and assigns, for the purposes of this Easement.

The easement granted herein shall be 32 feet in width (except for during construction and removal of the water pipelines, the Easement shall be expanded to 50 feet in width), the centerline of which shall be measured from the center point of the first water pipeline and the necessary appurtenances thereto constructed by GRANTEE. In addition, if the easement area, as described herein, does not abut the nearest public road right-of-way, the easement area shall be expanded to extend to the nearest public road right-of-way line.

It is agreed that crop damage will be paid by the GRANTEE; however, in no case shall GRANTEE be required to pay more than a single, total crop loss in any one crop year. Crop damage will equal the price for the destroyed or damaged crop x yield per acre x acreage damaged or destroyed.

GRANTEE, its successors and assigns, hereby promise to maintain such water pipelines and any necessary appurtenances in good repair so that damage, if any, to the real estate of GRANTORS, will be kept to a minimum.

The grant and other provisions of this Easement shall constitute a covenant running with the land for the benefit of the GRANTEE, its successors and assigns.

IN WITNESS WHEREOF, the GRANTORS have executed this instrument this 21 day of August, 2018.
